Forecast for Tuesday 11 Aug 2020

Weather: Heavy rain and thunderstorms in the early hours will clear away north in the morning. Most of the day will then be dry with sunny spells. A low risk of a few thunderstorms developing again, mainly in the east of the forecast area.

Chance of cloud free mountain/hill tops above 800m: 90%. Patchy low cloud early in the morning will lift. Cloud expected to be above summits.

Visibility: Patchy fog in the glens at first, otherwise very good.
